

ARP RECEIVES PRESTIGIOUS CERTIFICATION

ARP was awarded a three year accreditation by The Council of Accreditation for Rehabilitation Facilities (CARF).

CARF is an independent, not-for-profit accrediting body that represents the gold standard of quality, value and optimal outcomes of services. ARP has been accredited by CARF since 2009 for Intensive Outpatient Programming, Residential Treatment, Psychiatric Management, Crisis Services, Outpatient Treatment and Prevention; as well as for Child and Adolescent Services. CARF-accredited programs and services have demonstrated that they substantially meet international standards of excellence for counseling services. When choosing CARF-accredited programs and services individuals and referral sources are assured that:

- The programs and services actively involve consumers in selecting, planning, and using services.
- The organization's programs and services have met consumer-focused, state-of-the-art national standards of performance.
- These standards were developed with the involvement and input of consumers.
- The organization is focused on assisting each consumer in achieving his or her chosen goals and outcomes

ARP has also been fully endorsed by **Western Highlands Network** LME on behalf of the state of North Carolina to provide Intensive Outpatient Programming and Diagnostic Assessments.

For more information about CARF visit www.carf.org or to learn more about Western Highlands Network go to <http://www.westernhighlands.org/consumers.html>.
